

Bath Artists' Studios is delighted to invite you to EXTEMPLO, the exhibition that celebrates Bath as Art City in association with Bath Art Affair. Bath Artists' Gallery is showcasing a selection of two dimensional works that provides the opportunity to view an immediate abstract of contemporary art at the Studios.

The selected art work by Lucy Ward, Ben Hughes, Marko Dutka and Rob Ashdown consists of photography, drawing, painting and installation, and the exhibition draws on the confrontation between representation, rhythm and repetition. Curation by Heike Jeromin.
